

# A Dangerous Book for Dogs: Train Your Humans with the Bandit Method

Eat this book! Bury it, hide it, or give it to another favorite canine pal, but this full-color edition of A Dangerous Book for Dogs should not be allowed to fall into the paws of humans. Don't reveal all the goodies that Bandit, a fabulous Furever dog, has compiled for your eyes only. Here it is the definitive collection of training tips, human behavior modification techniques, and super secrets to happiness all from his own experiences and those of his buddies. It's all here to make your human healthier and happier. Complete with more than 100 color photographs, this fast read zooms you to the top and making your humans the best on the block with improvement ideas to make them better at napping, playing, giving you goodies, and more. You'll learn why humans are so dog-gone tough to understand sometimes and how to deal with the name game. The secrets are revealed no more guessing about how to get the instant belly rub or toy or doors opened and closed on our command. Also within these scrumptious pages are plenty of delightful stories, illustrating how we dogs are more adept at many skills, such as experiencing changes, being kind and loyal, and loving unconditionally. Get ready for fun, fur, and frivolous giggles. Plus Bandit includes four FREE Bonus Treats Food & Treat Safety, More Secrets to Happiness, Great Resources, and Careers for Dog Lovers. Bandit says you deserve these goodies because you've been so good!
