

# International Business and Europe in Transition (Academy of International Business)

This volume of the Academy of International Business series looks at International Business in the context of a rapidly changing Europe. Leading contributors have come together to present the latest research, attempting to answer a number of important questions: \* is the vision of a Single European market realistic? \* what are the barriers to its achievement? \* what are the prospects for Eastern Europe? \* how should firms enter East European markets? \* what does the process of transition imply for corporate policy?
