

Jaxgarian and the Japanese Buddha: The Adventures of Jaxgarian Book 3

Book Three of the Adventures of Jaxgarian. Jaxgarian and his guardian angel finally, quite by accident, catch up with Chalice in a Korean tea house. Chalice is on a mission to introduce Buddhism to Japan. Will Chalice give in to Jaxgarians pleading to take them with him to Japan? Will Chalice live to regret his decision? Will the angel manage to screw things up for Chalice, again? Another ridiculous episode in the adventures of Jaxgarian, a universal being sent to save the world; featuring Buddhas bottom, Japanese twin daughters and Jaxgarians marvelous, magical member! Chapters 1. How likely is it that Ferrero Roche chocolates were around before the angels? 2. Are you sure it doesnt hurt? 3. Not rikery wiv erephant poo on shoe... 4. Oh no, the good feeling has gone... 5. I knew there was something queer about you... 6. Incense, music... in flagrante delicto... 7. ...so theyve got him by the short and curlies! 8. Shouldnt you be dead by now?
