

## Chimera: Scourge Of The Gods

Gigantic monsters have been loosed upon the planet with the sole purpose of eradicating the human race. Humanity's last hope resides in Chimera: a kaiju hybrid created from the combined genetic material of a Sperm-Whale, Lion, and Gorilla. In order to train the monster, the government recruits Luke Davis a master teacher of utilizing Applied Behavior Analysis techniques. Chimera is the most powerful weapon ever created by mankind, but will this beast be able to save humanity from the kaiju apocalypse?
