

John and Gladys love each other. Gladys gets pregnant. John panics. Gladys leaves. John goes on an inner journey, with the help of the Sorriest Man Alive™ and the woman who killed Osama Bin Laden (sort of), to try and come to terms with bringing life into an uncertain world. Gladys goes on an outer journey, taking her to a cradle of civilization plagued by war between fans of Loretta Lynn and devotees of Sissy Spacek. She accidentally triggers the apocalypse, and then her water breaks. If you liked Frozen, you'll love John and Gladys and The Year the World Began.
