

A Contemporary Collection of Mary Baker Eddy Vocal Solos: Vocal Solos for the Christian Scientist

Setting music to five rare poems of Christian Science founder, Mary Baker Eddy, this new generation composer encourages soloist to explore the full potential of expression and interpretation. With a rich blend of musical training from classical to contemporary, and from jazz to pop, Michelle J. Gonzalez weaves a unique fabric of sound and style into her compositions, while embracing the awe and reverence of each poem set to music. These new melodies soar and are a wonderful addition to any Christian Science soloists repertoire.
