

A step-by-step DVD that provides guidance on how to perform successful line training with your dog Unless theyre on a lead, many dogs refuse to come back to their owners, and simply do as they please. Dogs like these commonly spend their lives on leads that are much too short, so are unable to enjoy the privilege of running free in meadows and fields, because they havent learned to take notice of their owners and come back on call or whistle. The advice thats often given to anyone who owns a dog like this is to give line training a try, but not many people know how it's done.
