

Loving County S.P.S.

If Jan and Sandy Holt think they are finally rid of Ray Goodall and safe and secure in Agony Junction, they are sadly mistaken. Goodieaka Ragshas a long memory and a vindictive nature. He has settled into the new Texas SPS, has used his pre-knowledge of how to survive under such conditions to good advantage, and now is the time to take revenge on the ones who put him here. Along with Jan and Sandy, AJs relatively-new Servitor, Liz Markham, and Loving Countys Servitor, Wesley Skip Payne, discover that Rags of Scorpio may be more than they can handle. And when they meet Rags wife, Rene, and his chip-off-the-old-block son, Arthur, the horror grows. Now may be the time for some of the Holts old AJ friends to come to the rescue. Or maybe not.
