

Ryan Stone is different than the other teenagers at his school- he can use magic! But its too powerful for Ryan to control. Whenever he uses it, he almost destroys himself and everything else around him. Shortly after using his magic power during a fight at school, a wizard named Nilrem arrives at his house and tells him that its his destiny to become the prophesied destroyer of evil and free the magical land of Avalon from the hordes of dark creatures that terrorize the land. Ryans thrill-seeking friend, John Oleson, hears of the exciting adventure and decides hes going along, too. Armed with a sawed-off shotgun, a .45 handgun and plenty of hand grenades, hes determined not to let his friend hog all the fun. They travel through the Wizards magical cloak of stars to the amazing new land. But once they arrive in Avalon they find themselves in very real danger as evil creatures hunt them from all over the land. Can Ryan learn how to control the raging magic power inside of himself before the two of them are caught eaten alive? The very fate of Avalon now rests in his hands.
