

Samurai Son (Stormhammer Chronicles) (Volume 1)

The Fate of the World Hangs on a Young Samurai All Akira's life, he dreamt of being more than just a samurai. His sensei finds his martial arts inadequate, and he's taunted by another young samurai who has killed a dragon. But Akira has a secret. He's been training with the Tengumagical wind-spirits who excel at fighting. Only things aren't what they appear, and unbeknownst to Akira, he isn't quite human. A dragon threatening his home island reveals his true identity and he's sent on a journey where if he chooses to use his magic, he'll be put to death, or worse. But if he doesn't, demons will overrun the world.
