

The Echo Factor: Living a Life That Resonates Freedom

What happens when you combine science, inspiration, wit, and unexpected, interactive twists? The Echo Factor. Kinda Wilson takes bits of science and psychology and mixes them with storytelling and mystery to bring a fascinating chain of insights. The Echo Factor empowers you to find your voice, overcome fears, silence the past, and make a beautiful impact on the world around you. What you find in this box isn't a book-its an adventure.
