

The Wild, Wild Quest: An Epic Fantasy of Americas Old West

The year is 1874. Vince Browder is about to unleash a plague- and pestilence-breathing dragon upon an unsuspecting young nation. All that stands between him and the ultimate land grab is young Matthew Graham and a dragon of his own named Crazy Squirrel. Against seemingly impossible odds, Matthew is joined by a band of heroic individuals including the legendary Baxter Fleming; The Miracle Marksman, Francisco Ochoa; The Bolo Kid, Americus Freeman, Cordelia McKenna and, of course, Baxs faithful horse, Turquoise Bill. In a quest that will take our heroes from a quiet Michigan town, across a vast continent, to the twisted heart of a dead volcano deep in Death Valley, the adventure never stops.
