

Dreams of Galaxies-I: The Blue Tide of Love (Alien Trilogy) (Volume 1)

Daisy was smart, confident, and had a great job to keep her occupied, but something was missing in her life. Was it loneliness she felt? Or was something else lurking in the outer reaches of her mind, waiting to manifest itself at the appropriate time And something does manifest itself, shaking Daisy to her emotional core, something alien in its concept yet associated closely with her occupation at the Stargazers Scientific laboratory. Daisy finds her sleep disturbed by ever-more intoxicating dreams, visions, startling in their clarity and increasingly intrusive on her everyday existence. Amidst all her inner turmoil, a startling link emerges one that connects Daisy to her missing parents. This well-written story will keep you engrossed from start to finish ...
