

## Neshini Resistance (Spire City, Season Three: Unwoven Book 3)

Targeted by a mad scientist's deadly serum, these outcasts band together to uncover the truth and to fight back. Spire City is home to mighty machines of steam power and clockwork, and giant beetles pull picturesque carriages over cobbled streets, but there is a darker secret behind these wonders. A deadly infection, created by a mad scientist, is spreading through the city, targeting the poor and powerless, turning them slowly into animals. A group of those infected by the serum join together to survive, to trick the wealthy out of their money, and to fight back. Sairen finds his way back among his own people, the immigrants from Nesh. Here he finds a group of people he can trust, but always at the back of his mind is the betrayal he observed a few months earlier and the community's elders who are now missing.
