

How To Spot Liars And Other Bad People: Learn The Rhetorical Tricks That Deceivers Use So You Can Avoid Being Conned, Fooled and Taken For A Ride

How do you know when someone is trying to deceive you? Its one of the most important issues we face, as the ability to determine truth from falsehood can be the difference between life and death. While it is difficult to determine if someones individual statements are truthful, it is often much easier to determine if a person has honesty and integrity overall. The good news is that liars and bad people leave clues. In this groundbreaking book, you will learn many of the rhetorical tricks that dishonest people employ. Once you learn how to recognize them, youll be far less likely to tricked or deceived by anyone. Youll also learn the following: A better understanding of truth. How to avoid error. Common lies and tricks in politics. How to tell if a product is legitimate before you buy it. Signs that you are talking to a con artist. Common cons and scams to avoid.
